MEMORANDUM FOR: Chief, Real Estate and Construction Division

SUBJECT : Records Center Expansion, [REDACTED]
[REDACTED]

25X1

1. Confirming our telephone conversation of 24 June 1968, we will have to cancel the plan to conduct the feasibility study for the expansion of the Records Center. The Deputy Director for Support and the Executive Director-Comptroller have discussed the records storage problem and there is still some doubt that construction is the most reasonable alternative solution to the problem. We will have to defer the feasibility study until this question has been resolved.

2. The Director of Logistics has been advised of this decision by telephone.
